Martin Dobbs
Ology
25 Clydesdale Road
Droitwich
Worcestershire
WR9 7SA

28th April 2008

I have been working with Martin on the development of my business

He has enabled my business to move forward and grow at *my* speed.

He is an excellent business coach and has helped me to make my business progress at a rate I would not have thought possible

His understanding of human nature and people's personality is amazing

His professional attitude and most pleasant manner is what all businesses should have access to.
